Class of 2025 students & parents/guardians,

On Tuesday, March 30, 2021 we held a *Transition to High School Question & Answer* session for all 8th grade families. I would like to thank all the families that joined us on the Teams call and I hope you enjoyed the experience.

For the families that could not attend, we were able to record the meeting and now have it embedded on the “Incoming Students” webpage (see link below). Along with the recording link, you will also find an additional page titled “Frequently Asked Questions”. Review this page to gain more knowledge about the high school and our offerings.

This week, our high school guidance counselors started the scheduling process with the current 8th grade students. I trust these meetings are going well and if you have any questions, please reach out to the high school guidance office.

Our next communication home will be sometime in June. In that communication, we will announce dates and times for building tours that will be offered all summer long. We plan on providing at least one or two tour sessions each week during the summer. This will allow for flexibility for the students and families.

Timeline of Future Transition Events:

- Guidance Counselor virtual scheduling sessions (Week of April 12, 2021)
- Building Tours (Summer 2021)
- Official Freshman Orientation (first week of school)

Enjoy the remainder of your time in middle school and celebrate all your accomplishments.

Go Hawks!

Brian Pepe
Principal
