

Erika Steinbauer Future Teacher Scholarship

The Erika Steinbauer Future Teacher Scholarship will award one \$1000 scholarship per year to a River Dell graduating senior who attended the River Edge Public Schools (graduate of Roosevelt or Cherry Hill School) and whose intention is to pursue a career as an elementary school teacher. Mrs. Steinbauer seeks to support the development and training of future educators with this scholarship.

The selected student should be able to demonstrate past involvement working with young children through babysitting, playgroup, camp, recreation activities, etc. on a paid or volunteer basis. In addition, the applicant should be able to document a strong academic and extra-curricular experience throughout his/her high school years and an intention to pursue elementary teaching certification upon college graduation.

Award decisions will be based on the requested information submitted in the attached application. The scholarship will be awarded to the student who demonstrates strong academic potential and the greatest interest in and passion for teaching at the elementary school level after graduation from college. Scholarship funds may be used for tuition and/or purchase of books and supplies for coursework.
